

Tenzin Wangyal Rinpoche Featured Presenter

Science and Nonduality Conference in San Jose, California

On October 20, Tenzin Wangyal Rinpoche will present a preconference workshop and an evening plenary session at the Science and Nonduality Conference in San Jose, California.

Rinpoche's topic for the workshop, scheduled from 2–5 p.m., will be "The True Source of Healing: How the Ancient Tibetan Practice of Soul Retrieval Can Transform and Enrich Your Life." That evening, when the conference begins, he will present a plenary session from 8:40–9:10 p.m. on "Awakening the Luminous Mind."

The theme of the 2016 conference, held at the Dolce Hayes Mansion in San Jose, is On the Edge of the (Un)known. The program begins with preconference workshops on October 19 and ends October 23. Presenters include Deepak Chopra and Robert Thurman, among others.
