

Request for Photos for 25th Anniversary Book

Share Your Ligmincha Gems With All of Us

One of our main projects to celebrate the 25th Anniversary of Ligmincha International is the production of a special edition book highlighting the history of Ligmincha and Tenzin Wangyal Rinpoche's teachings all over the world.

To create this special edition, we need your help in collecting beautiful photos from different periods in Ligmincha's development, starting in 1992 and continuing up through the present. We especially want to include photos from the different places where Rinpoche has taught all around the world. Please look at the list of topics below, and look for photos in your archive related to these different events. The deadline for submitting photos is April 17.

Guidelines for submission are attached below.
