It has been almost a year since the appointment of His Holiness Lungtok Dawa Dargyal Rinpoche as the 34th Menri Trizin. On September 6 of this year, a formal grand enthronement ceremony took place at Menri Monastery in India.

In recognition of his enthronement, and as a way to deepen our connection to His Holiness, I extended an invitation for him to teach at our Ligmincha International centers in Poland, Mexico and the United States. With this letter I am happy to announce that His Holiness has honored us by accepting our invitation. Not only will he visit our Ligmincha centers, but he will also visit other Bön centers worldwide. This tour of Europe and North America will last approximately three months. We will share more details of his itinerary soon.
